

Tuhin Al Rakib

Front-endDeveloper|MERNStack Developer

eng.tuhin77@gmail.com [LinkedIn](#) [Portfolio](#) Gazipur, Bangladesh

SUMMARY

Drive impactful MERN stack development by crafting responsive, scalable web applications with React, Node.js, and MongoDB. Leverage expertise in modern frameworks like Next.js and Tailwind CSS to transform complex design concepts into seamless user interfaces.

SKILLS

Front-end:

React.js, Next.js, Tailwind CSS, Daisy UI, Redux toolkit

Back-end :

Express.js, MongoDB, REST API, Firebase Auth, Node.js

Frameworks / Libraries

React Router, Framer Motion, Stripe Integration

Programming Languages

JavaScript, C, C++

Familiar With

Git, JWT, Cookies, Cloud Deployment: Vercel, Netlify, Render

EDUCATION

Diploma in Chemical Engineering

Dhaka Polytechnic Institute

2011 - 2014 Dhaka, Bangladesh

INTERESTS

Coding

Passionate about exploring new technologies and solving complex problems through coding.

LANGUAGES

English

Proficient

PROJECTS

Real Estate Platform(Habikon)

[Live Link](#) | [GitHub](#)

A full-featured MERN application for property buying, selling, and managing.

- Developed and implemented secure, role-based dashboards for Admin, Agent, and User.
- Developed wish-list, offers, reviews, and Stripe payment integration.
- Built responsive UI using React, Tailwind CSS, Daisy UI.

Marathon Management System

[Live Link](#) | [GitHub](#)

An event management platform for marathon registrations and tracking.

- Developed registration, participant dashboard, and admin controls.
- Developed dynamic forms with modals to update marathon details.
- Optimized back-end with Express & MongoDB for scalability.

CERTIFICATION

Complete Web Development Course by Programming Hero

Completed an intensive course on advanced Web development techniques and best practices at MERN stack technology.

STRENGTHS

Problem Solving

Developed innovative solutions resulting in improved system performance by 30%.

Collaboration

Worked closely with cross-functional teams to deliver complex projects on time and within budget.
